## TopTec compliant

Available with TopTec protection

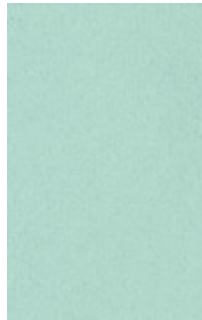

Der 2-Komponenten Mikrolack zeichnet sich durch hohe Widerstandsfähigkeit aus. Er verleiht der Farbe eine starke Intensität. Softlack besticht durch seine schmeichelnde, einzigartige Haptik.

Beide Lacke können mit der exklusiven TopTec Oberflächenversiegelung geliefert werden. Durch den Antihaft- und ABERLEFFekt erhält die Front einen optimalen Schutz und ein samtiges Oberflächendesign.
